Neil Diamond Medley 03/12/13

Neil Diamond

/ C G / C G / C G / C G /

The story of my life
Is very plain to read

It starts the day you came

And ends the day you leave

The story of my life

Begins and ends with you

The names are still the same

And the story's still the truth

Am
I was alone

You found me waiting

And made me your own

Am
I was afraid

That somehow I never could be
The man that you wanted of me

(7x)
Intro: //: G ://

VS1)

Where it began

I can't begin to knowin'

But then I know it's growing strong

Was in the spring

And spring became the summer

Who'd have believed you'd come along

Hands, touchin' hands
Reachin' out touchin' me touchin' you

Sweet Caroline

Good times never seemed so good

I've been inclined

To believe they never would but now I

LA's fine, the sun shines most the time

And the feeling is laid back

Palm trees grow and the rents are low

But you know I keep thinking about

Making my way back

Well, I'm New York City born and raised

But nowadays, I'm lost between two shores

LA's fine, but it ain't home

New York's home but it ain't mine no more

I am, I said To no one there
And no one heard at all

Not even the chair

I am, I cried -- I am, said I

And I am lost, and I can't even say why

I am, I said - I am, I cried

I am... Leavin' me lonely still
