Into The Ocean 11/23/12

Blue October

C

I'm just a normal boy

That sank when I fell overboard

My ship would leave the country

But I'd rather swim ashore

Am

Without a life vest I'd be stuck again

Wish I was much more masculine

Maybe then I could learn to swim

Like 'fourteen miles away'

F

Now floating up and down

I spin, colliding into sound

Like whales beneath me diving down

I'm sinking to the bottom of my

C

Everything that freaks me out

The lighthouse beam has just run out

I'm cold as cold as cold can be... be

C

I want to swim away but don't know how

Sometimes it feels just like I'm fallin' in the ocean

Am

Let the waves up take me down

Let the hurricane set in motion, yeah

F

Let the rain of what I feel right now, come down

C

Let the rain come down

(C)

Where is the coastguard

I keep looking each direction

For a spotlight, give me something

I need something for protection

Am

Maybe flotsam junk will do just fine

The jetsam sunk, I'm left behind

I'm treading for my life believe me

(How can I keep up this breathing)

F

Not knowing how to think

I scream aloud, begin to sink

My legs and arms are broken down

With envy for the solid ground

C

I'm reaching for the life within me

How can one man stop his ending

I thought of just your face

Relaxed, and floated into space

C

I want to swim away but don't know how

Sometimes it feels just like I'm fallin' in the ocean

Am

Let the waves up take me down

Let the hurricane set in motion, yeah

F

Let the rain of what I feel right now, come down

C

Let the rain come down

Into the Ocean (cont)

Now waking to the sun

I calculate what I had done

Like jumping from the bow, yeah

Just to prove that I knew how, yeah

Am

It's midnight's late reminder of

The loss of her, the one I love

My will to quickly end it all

So thought no end my need to fall

F

Into the ocean, end it all

Into the ocean, end it all

Into the ocean, end it all

C

Into the ocean, end it all

[Zayra]

Into the ocean (goodbye) end it all (goodbye)

Into the ocean (goodbye) end it all (goodbye)

Into the ocean (goodbye) end it all (goodbye)

C

I want to swim away but don't know how

Sometimes it feels just like I'm fallin' in the ocean

Am

Let the waves up take me down

Let the hurricane set in motion, yeah

F

Let the rain of what I feel right now, come down

C

Let the rain come down

F

Into the ocean (goodbye) end it all (goodbye)

(In to space)

Into the ocean (goodbye) end it all (goodbye)

Into the ocean (goodbye) end it all (goodbye)

Into the ocean (goodbye) end it all (goodbye)
