Colorado Christmas 12/11/12

Nitty Gritty Dirt Band

Intro: / C / Dm / G / C /

C Dm
Looking out the window of this Hollywood hotel,
G C
You'd never know that it was Christmas eve.
C Dm
The billboards and the neon took the place of silver bells,
G C
And the temperature is 84 degrees.
Dm G
I can hear the traffic on the crowded strip below
Dm G
As the palm trees poke their heads above the scene
C Dm
There's not a single reindeer and it hardly ever snows,
G C
And Santa drives a Rolls Royce limousine.

CHORUS:

Bb F C
But all along the Rockies you can feel it in the air
Bb F G
From Telluride to Boulder down below
C Dm
The closest thing to heaven on this planet anywhere
G C
Is a quiet Christmas morning in the Colorado snow

(Intro) / C / Dm / G / C /

C Dm
I remember Christmases when I was just a boy
G C
In the morning I would run to see the tree.
C Dm
And the carolers on the hillside sang their songs of Christmas joy
G C
Well, I always thought they sang them just for me.
Dm G
Now the sun is setting in the California sky
Dm G
And I can't find the spirit anywhere
C Dm
So I think it's time for me to tell Los Angeles goodbye
G C
I'm going back home took for Christmas there

CHORUS (same)

Wasted On The Way - in C

Graham Nash

Capo Fret 2

Intro: C / Am / F G / F C / C /

Look around me - I can see my life before me
Running rings around the way it used to be
I am older now - I have more than what I wanted
But I wish that I had started long before I did

(C) F G C Am
And there's so much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away

C Am
Oh, when you were young, did you question all the answers
Did you envy all the dancers who had all the nerve
Look around you now - you must go for what you wanted
Look at all my friends who did and got what they deserved

(C) F G C Am
And there's so much time to make up everywhere you turn
Time we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away

(C) F G C Am
And there's so much love to make up everywhere you turn
Love we have wasted on the way
So much water moving underneath the bridge
Let the water come and carry us away
Let the water come and carry us away_____.
