pirate ships would lower their flags when Puff roared out his name - oh\_

Chorus (same)

A dragon lives forever, but not so little boys,  
F                      C                      D                      G  
painted wings and giant rings make way for other toys.  
C                      Em          F                      C  
One grey night it happened, Jackie Paper came no more,  
F                      C                      D                      G          C          G  
and Puff, that mighty dragon, he ceased his fearless roar - oh\_

His head was bent in sorrow, green scales feel like rain,

Puff no longer went to play along the Cherry Lane.  
C                      Em          F                      C  
Without his life-long friend, Puff could not be brave,

# Woman Like You 01/03/14

Lee Brice

G  
Last night, outta the blue  
Em  
Driftin' off to the evening news  
C  
She said "Honey, what would you do  
D  
If you'd never met me"  
G  
I just laughed, said "I don't know,  
Em  
But I could take a couple guesses though"  
C  
And then tried to dig real deep,  
Am D  
Said, "Darling honestly...  
  
G  
I'd do a lot more offshore fishin'  
D  
I'd probably eat more drive-thru chicken  
C  
Take a few strokes off my golf game  
D  
If I'd have never known your name  
  
G  
I'd still be driving that old green 'Nova  
D  
I probably never would have heard of yoga  
C  
Be a better football fan  
D  
But if I was a single man  
Am G C  
Alone and out there on the loose  
Am D G / Em / D /  
Well I'd be looking for a woman like you."  
  
G  
I could tell that got her attention  
Em  
So I said, "Oh yeah, I forgot to mention,  
C  
I wouldn't trade a single day  
Am D  
For a hundred years the other way."  
G  
She just smiled and rolled her eyes,  
Em  
Cause she's heard all of my lines

C  
I said, "C'mon on girl, seriously  
Am D  
If I hadn't been so lucky  
  
G  
I'd be shootin' pool in my bachelor pad  
D  
Playing bass in my cover band  
C  
Restocking up cold Bud Light  
D  
Play poker every Tuesday night, yeah  
G  
I'd have a dirt bike in the shed  
D  
And not one throw pillow on the bed  
C  
I'd keep my cash in a coffee can  
D  
But if I was a single man  
Am G C  
Alone and out there on the loose  
Am D G / G /  
Well I'd be looking for a woman like you."  
  
Em D  
She knows what a mess I'd be if  
C G  
I didn't have her here  
Am D  
But to be sure, I whispered in her ear  
G  
"You know I get sick deep-sea fishin'  
D  
And you make the best fried chicken  
C  
I got a hopeless golf game  
D  
I love the sound of your name  
G  
I might miss that old green 'Nova  
D  
But I love watchin' you do yoga  
C  
I'd take a gold band on my hand  
D  
Over being a single man  
Am G C  
Cause honestly I don't know what I'd do  
Am D G / Em / C / Am D / G /  
If I'd never met a woman like you."
