# Colder Weather

## Zac Brown

Capo 3rd Fret

Intro Chords - F C / F C / F C / G F

She'd trade Colorado if he'd take her with him  
Closes the door before the winter lets the cold in,  
And wonders if her love is strong enough to make him stay,  
She's answered by the tail lights  
Shining through the window pane

[Chorus:]

He said I wanna see you again  
But I'm stuck in colder weather  
Maybe tomorrow will be better  
Can I call you then  
She said you're ramblin' man  
You ain't ever gonna change  
You gotta gypsy soul to blame  
And you were born for leavin'

At a truck stop diner just outside of Lincoln,  
The night is black as the coffee he was drinkin',  
And in the waitress' eyes he sees the same 'ol light shinin',  
He thinks of Colorado  
And the girl he left behind him

## Colder Weather - in C (cont)

[Chorus - same]

Well it's a winding road  
When your in the lost and found  
You're a lover I'm a runner  
We go 'round 'n 'round  
And I love you but I leave you  
I don't want you but I need you  
You know it's you who calls me back here babe

Instrumental Break/Solo F C / F C / F C / G

[Chorus - same ]

And when I close my eyes I see you  
No matter where I am  
I can smell your perfume through these whispering pines  
I'm with your ghost again  
It's a shame about the weather  
I know soon we'll be together  
And I can't wait till then  
I can't wait till then

# Daydream Believer 06/11/13

## The Monkees

Intro) G / Am / G / Am /

VS1)

Oh, I could hide 'neath the wings  
Of the bluebird as she sings  
The six-o'clock alarm would never ring  
But it rings and I rise  
Wipe the sleep out of my eyes  
My shaving razor's cold and it stings

CH)

Cheer up sleepy Jean  
Oh what can it mean to a  
Daydream believer and a homecoming queen

VS2)

You once thought of me  
As a white knight on his steed  
Now you know how happy  
I can be  
Oh and our good times start and end  
Without dollar one to spend  
But how much baby do we really need

# Turn the Page 03/04/13

## Bob Seger

**Em**  
on a long and lonesome highway east of Omaha  
**D**  
you can listen to the engine, moanin out as one long song  
**A**  
you can think about the woman, or the girl you knew the night before **Em**  
**Em**  
and your thoughts will soon be wandering the way they always do  
**D**  
when your riding sixteen hours and there's nothing much to do  
**A**  
you don't feel much like ridin', you just wish the trip was through **Em**

### CHORUS:

**D** **Em**  
but here I am, on the road again  
**D** **Em**  
there I am, up on the stage  
**D** **A**  
here I go, playing the star again  
**C** **D** **Em**  
there I go, turn the page

**Em**  
you walk into a restaurant, strung out from the road  
**D**  
and you feel the eyes upon you, as your shaking off the cold  
**A** **Em**  
you pretend it doesn't bother you, but you just want to explode  
**Em**  
sometimes you hear 'em talkin', other times you can't  
**D**  
all the same 'ole clichés is that a woman or a man  
**A** **Em**  
and you always seem outnumbered, you dare not make a stand

### CHORUS

**Em**  
out there in the spotlight, you're a million miles away  
**D**  
every ounce of energy, you try to give away **Em**  
**A**  
and the sweat pours from your body, like the music that you play **Em**  
**Em**  
later on that evening, as you lie awake in bed  
**D**  
echoes of the amplifiers, ringin in your head  
**A** **Em**  
and you smoke the day's last cigarette, remembering what you said
