Simon & Garfunkel

Hello darkness, my old friend
 I've come to talk with you again
 Because a vision softly creeping
 Left its seeds while I was sleeping
 And the vision that was planted in my brain
 Still remains
 Within the sound of silence

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the
flash of a neon light
That split the night
And touched the sound of silence

And in the naked light I saw

Ten thousand people, maybe more

People talking without speaking

People hearing without listening

People writing songs that

 voices never shared

 And no one dared

 Disturb the sound of silence

"Fools", said I, "You do not know

Silence like a cancer grows
C F C
Hear my words that I might teach you

Take my arms that I might reach you"

But my words, like silent raindrops fell

And echoed

In the wells of silence

And the people bowed and prayed

To the neon god they made
C F C
And the sign flashed out its warning

In the words that it was forming

And the sign said, "The words of the prophets

are written on the subway walls

And tenement halls"
C G Am
And whispered in the sounds of silence

Em
on a long and lonesome highway east of Omaha
D
you can listen to the engine, moanin out as one long song
A
you can think about the woman, or the girl you knew the night before **Em**
Em
and your thoughts will soon be wandering the way they always do
D
when your riding sixteen hours and there's nothing much to do
A
you don't feel much like ridin', you just wish the trip was through **Em**

CHORUS:

D **Em**
but here I am, on the road again
D **Em**
there I am, up on the stage
D **A**
here I go, playing the star again
C **D** **Em**
there I go, turn the page

Em
you walk into a restaurant, strung out from the road
D
and you feel the eyes upon you, as your shaking off the cold
A **Em**
you pretend it doesn't bother you, but you just want to explode
Em
sometimes you hear 'em talkin', other times you can't
D
all the same 'ole clichés is that a woman or a man
A **Em**
and you always seem outnumbered, you dare not make a stand

CHORUS

Em
out there in the spotlight, you're a million miles away
D
every ounce of energy, you try to give away
A **Em**
and the sweat pours from your body, like the music that you play
Em
later on that evening, as you lie awake in bed
D
echoes of the amplifiers, ringin in your head
A **Em**
and you smoke the day's last cigarette, remembering what you said
